

## IMPACT FACTOR FOR GLOBAL JOURNAL SERIES

The Editor-in-Chief is pleased to release the result of the evaluation of Journals in the Global Journal Series in the Scientific Journal Impact Factor (SJIF) master list for 2012. It is encouraging that journals in Global Journal Series were positively evaluated which resulted in scores giving the following Scientific Journal Impact Factor values:

1. Global Journal of Pure and Applied Sciences (ISSN 1118-0579): SJIF = 4.02
2. Global Journal of Agricultural Sciences (ISSN 1596-2903): SJIF = 3.93
3. Global Journal of Engineering Research (ISSN 1596-292X): SJIF =4.135
4. Global Journal of Social Sciences (1596-6216): SJIF = 3.06
5. Global Journal of Environmental Sciences (ISSN 1596-6194): SJIF = 3.272
6. Global Journal of Geological Sciences (ISSN 1596-6798): SJIF = 3.072
7. Global Journal of Mathematical Sciences (ISSN 1596-6208): SJIF = 4.322
8. Global Journal of Medical Sciences (ISSN 1596-2911): SJIF = 3.924
9. Global Journal of Humanities (ISSN 1596-6232): SJIF = 3.669
10. Global Journal of Educational Research (ISSN 1596-6224): SJIF = 3.23

It is interesting that SJIF Journals Master list database which attracts attention of many journals (about 18000 periodicals from all over the world) has undertaken this evaluation independently and quietly without involving any staff of Global Journal Series. The Editorial Boards are encouraged by the SJIF Impact Factor values given to journals in Global Journal Series. The positive and high values are in tandem with earlier evaluations of the journals by NUC, INASP, AJOL, ProQuest, CABI, CAS abstracts etc. it is an encouragement to scholars all over the world to submit their manuscript and publish scholarly articles in Global Journal Series. The Editor-In-Chief and his team are determined to continue offering their services to the world academic community. It is interesting that without financial support from any quarters including TETFUND, Global Journals have continued to attain great heights in the area of Journal publication. We shall continue to be thorough, prompt and committed to dissemination of scholarly knowledge. Please submit your manuscripts and subscribe to journals in Global Journal Series through:
